WHAT'S DIFFERENT?

Concierge care without the concierge price, when you call/text you talk directly to Dr. Buncke. No receptionists, no gatekeepers only Dr. Buncke.

WHAT TO EXPECT

- Option to provide medical history and initial intake in virtual setting
- Flexible Scheduling time
- Initial working diagnosis
- Discussion of risks and benefits
- Treatment as you would expect in a traditional office

AT A GLANCE

- Morning and evening appointments available.
- Text message and online scheduling for appointments.
